Create Text to Speech Services

The screenshot shows the IBM Cloud console interface for the 'Text to Speech-bp' service. The page is titled 'Text to Speech-bp' and indicates it is 'Active'. A sidebar on the left contains navigation links: 'Manage', 'Getting started', 'Service credentials' (which is highlighted), 'Plan', and 'Connections'. The main content area is titled 'Service credentials' and includes a description: 'You can generate a new set of credentials for cases where you want to manually connect an app or external consumer to an IBM Cloud service. [Learn more](#)'. Below this is a search bar labeled 'Search credentials...' and a 'New credential' button. A table lists the existing credentials:

Key name	Date created	
Auto-generated service credentials	2022-11-12 12:30 PM	

The bottom of the image shows the Windows taskbar with the search bar, taskbar icons, and system tray showing the time as 13:30 on 12-11-2022.
